The team batting second will commence their innings at 3:30pm. The scheduled time of stumps is 5:30pm. Play may be extended until no later than 5:45pm (if light conditions are suitable) to allow the team batting second to receive their full allocation of 29 overs. (Amended 15/8/07)

Matches that have been schedule by the BC&DCA as a two (2) match shall be played over the two (2) days allocated unless 2 innings per team has been completed and a result recorded on the first day. Any departure from this may result in disciplinary action and/or loss of points and shall be dealt with accordingly by the Executive Committee and or the Management Committee. This does not include semi finals, finals matches or matches affected by weather conditions. (NEW 22/7/15)

- (a) However, if the calculation drops below 25 overs (for whatever reason) the match will be considered a draw
- (10) If the team batting first is dismissed or closes its innings before sixty-five(65) overs have been bowled, the team batting second is entitled to receive its full allocation of sixty- five(65) overs, except that in the event of the team batting on the first day, losing its final wicket in overs number sixty(60) to sixty-five(65) which has commenced
